Dear Friends,

SARA HURWITZ  
*Rabba*

It is time once again to make reservations for your High Holiday seating at HIR. There are three tefillot being offered at the Bayit this holiday season: Main Sanctuary, Social Hall and Learning Service. We ask that you complete and return the enclosed form with your payment as early as possible to ensure your seating reservation. Reservations will only be processed if accompanied by payment. Payment can be made by check or credit card.

Due to the newly renovated and expanded building, we anticipate a greater ability to accommodate first time requests for both the main sanctuary and the social hall. We also anticipate a slightly different seat layout. While this may result in a slight shift in exact seat locations, it will also facilitate a more spacious and comfortable seating configuration. We will hold last year's seating assignments and guarantee new seating (including the main sanctuary) to any individual or family who pays for reservations by Monday, August 16th. After that time, we reserve the right to release the seats for sale to others.

LINDA BASCH  
*Director, Social Services*

DANIEL PERLA  
*President*

If you have an open balance, your statement is enclosed. In order to process your seat reservation request, please pay your balance at this time. The office staff cannot issue tickets to anyone with a past due account unless a payment plan is worked out in advance. The office staff will be more than happy to work with you on such a plan and welcomes these calls. Please do not wait until the last minute to take care of this.

If you occupied seats in the main sanctuary last year and do not plan to use them this year, kindly let us know as soon as possible so that we can re-assign those seats to others.

Tickets will be mailed out approximately one week before Rosh Hashanah.

You can submit your form to reserve your seats through the mail, by fax, by email or by coming into the office.

Best wishes for an enjoyable and restful summer.
