

Jewish Youth Encounter

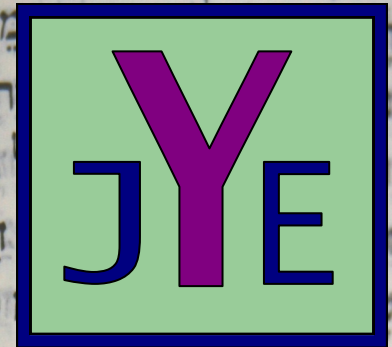

Message from the Rabbi of the JYE Program

Community is the basis of our educational philosophy. To that end, we are far more than just a Hebrew School. We deliver an educational experience for the whole family and look forward to learning from you as well. We inspire connections and friendships that extend beyond the classroom. Your children will love coming to class and will receive a quality Jewish education while they are here. I look forward to sharing many meaningful and engaging experiences with you in the coming year. I am always available to meet.

Respectfully,
Rabbi Aaron Braun

What JYE has to offer...

Now Sunday and Wednesday Programming!

The Jewish Youth Encounter is an alternative Hebrew School housed in an Open Orthodox Synagogue. We offer a high quality education in a welcoming and non-judgmental environment.

This year we've expanded our program to provide an uplifting and educational experience for your children. We've added an hour to our Sunday programming to enhance the learning experience. We've also brought back our Wednesday program — but with a twist. This year, Wednesdays are for grades four through seven and will focus on Hebrew language and prayers. We designed our new Wednesday curriculum to advance Hebrew language comprehension and to serve as classroom preparation for a Bar or Bat Mitzvah.

The JYE Program is much more than just classroom learning

Here is what our day looks like...
